➤ **Guidelines for Department IPR Coordinator:**

- You are requested to prepare the detailed schedule of received applications of your department as per the date and time allocated.
- Maintain the attendance record of all applicants.
- Circulate the presentation guidelines to all applicants.
- Ensure the availability of Department Conference Hall and a system required for presentation.

➤ **Guideline for Presentation –**

- The presentation should not exceed 10 minutes in length.
- Any member of the group can give the presentation.
- All group members are expected to be present during the presentation.

The presentation should contain the following points:

1. A detailed explanation of the idea
2. The process of implementation
3. The level of innovativeness of the idea as compared to existing ideas
4. Whether any papers on the same idea have been published by the applicant
5. Any other relevant points

Director
